

# A-Frame Systems

Tuff Built by Diversified Mobile A-Frame Fall Arrest Systems provide secure anchor points on a highly mobile platform, providing maintenance personnel with tie-off capability in work settings without overhead structure.

Part #	Model	W	H	OH	L	OW	Wheels
70777	A-Frame, 19W-23H-1R-1A-RM	234"	277"	286"	196"	252"	Rubber Molden
70778	A-Frame, 17W-20H-2R-2A-RM	211"	240"	252"	196"	230"	Rubber Molden
70787	A-Frame, 20W-23H-2R-2A-RM	240"	276"	287"	196"	263"	Rubber Molden

The Quad Frames allow you to place overhead anchor points where you need them. Quad Frame systems roll over equipment/ structures requiring access providing ground-up elevated work activities.
